

PROPERTY LAWYER
PAXTON-PENMAN ET AL

Auckland Office

We are looking for a senior property lawyer who has minimum of 5+ years PQE to work in our city office and lead our Auckland team. The role is one of working closely with one of our partners to ensure that there is proper management of work flow.

We are a well-established small boutique firm with two offices and specialise in property and commercial matters, conveyancing, shareholder agreements and company structures, relationship property, estates, trusts and wills.

Our firm is in a growth stage, and we are looking for energetic, self-starters who are passionate about the law and being part of the next generation of leaders within our team. We are excited about the next chapter and are wanting inspiring, young lawyers with experience and an appetite for creating an amazing culture to join us to share in our vision and success.

So, if you want to be part of a progressive law firm that punches well above its weight, that offers flexibility, training where there is no glass ceiling and staff input and wellness is valued then this is the position for you.

We look forward to receiving your CV which outlines your qualifications and experience to date, matters that you have acted on that have been something you are proud of in terms of your career and some narrative about what you see your future in law looking like.
